Jimboomba QLD 4280

Dear Ms Goodwin,

Thank you for providing the supporting documentation relating to the radio advertising sponsorship. We acknowledge receipt of the signed contract, payment receipts, bank statements, and invoices. This information has now satisfied our request for payment acquittal.

As part of our ongoing commitment to improving governance and financial accountability across all grant and sponsorship programs, the QGRC will be considering the introduction of strengthened conditions for future recipients. These may include:

1. **Provision of evidence to allow full acquittal** of any grant or sponsorship funds, as part of the terms and conditions of funding.
2. **Eligibility requirements** that recipients be incorporated associations or companies limited by guarantee, holding appropriate not-for-profit status with the ATO and/or ACNC.
3. **Confirmation that the organisation's constitution is current**, has been reviewed within the past five years, and that an up-to-date copy is held with the Office of Fair Trading.
4. **Evidence of membership support**, including minutes of meetings where the organisation endorsed the submission of a grant or sponsorship application.

These measures are the result of learnings across dealings with multiple community organisations over the past six months since the Board and management was established. Our aim is to support clear, consistent governance processes that protect both the QGRC and recipient organisations in the administration of public or industry-related funds.

With the documentation now provided, the QGRC considers this matter finalised from our perspective. We thank you for your cooperation in bringing this to a close.

Queensland Greyhound Racing Club Limited
PO Box 396
Albion QLD 4010

We wish Retired Greys Inc continued success in your future operational endeavours and acknowledge the contribution your organisation makes to greyhound welfare and rehoming in Queensland.

Kind regards,

A handwritten signature in black ink, appearing to be 'David Nugent', written over a horizontal line.
